“ Mom, 5 years have gone by, and I've made a lot of changes that I hope you approve of. I hope you see how incredibly happy Joey makes me. If you were here life would be absolutely perfect. I hate that these three "redheaded" grandkids don't know you. I'm a real "Nanny" now. I just wish we could enjoy them together. I miss you so much. I LOVE YOU, Nanny

“ Joy and I were close friends through our years at Turkey Creek High School. Since then, over the years we would see each other every once in awhile at a store in Plant City, and it would be like we had never been apart. We would always find ourselves giggling over some memory. My thoughts and prayers are with her family.

“ *Patti & Rick Cabaniss, Seffner, Fl.
We wish to say what a previledge it was, to have known Joy and worked with her for so many years. This world was a much better place with her here and she will be missed, but Heaven is getting a better person to help up there.
Our thoughts and prayers go out to all who knew her and her family.*
