“ Margaret was my first cousin, whom I always admired and looked up to while we were growing up. I used to go and visit Uncle Boone and Aunt Leona as a child, and Margaret and Jimmy, as we called them, were always so kind to me.

*Margaret was so pretty and sweet.*

*Although we didn't talk much or visit, I always knew she would be there for me if I needed her. I will miss knowing she's on the earth, but am trusting that she's now with Jesus and someday we will see each other again.*
