Marsha and Cheryl: Our thoughts and prayers are with you and your families. I loved looking at all the pictures, especially the one with Mrs Willis and Mary (our house in the background); the one of Marie & Mary; the one of their Dad with them (it's been a very, long time since I've seen that one) and the family picture standing in back of a '57 Chevy....missing was Perry and Dottie. Sure took me down memory lane. We have so many loving memories with the "Willis" family. So sorry we can't be there to support y'all, as Leo & Todd have doctors appointments. Love to all., Leo and Ginger Houck
