“ It is an honor to call MaryEllen my dearest friend. I cherish every moment we spent together, especially our Wednesdays. I will remember all of the stories we shared, the updates on the news of the day, and how excited she was for me to share the happenings of my school days with the students.
She always told me “to thy own self be true”. This is what she believed and lived up to.
Though my heart is heavy, I have been blessed to have MaryEllen in my life. She was family to me.
