“ Thanks to all of those responsible for caring for my sister, Mary. My husband and I could not stay for the services because of Irma. We finally reached our home after 12 midnight last night. We are most grateful to Mary's children for all of the nice things done and said during our stay in Plant City. We are also grateful to all of those who gave us directions to where we needed to go. While the last ten days have been very stressful, we have been blessed in so many ways, and I am grateful that Mary is now at peace and free from all pain. May her soul and the souls of all the faithful departed rest in peace. Amen.
