“ I feel like we have known each other forever. You are one of the best friends I have ever had and you know things about me that no one will ever know. We had some of the best times ever. I'm proud to have had you as a friend and will miss you. May peace be with your family.

“ I may have met her in school, visited with her a few times after high school but our closest times are my fondest memories. Our online communications all hours of the night talking about our families and being a mom. No matter the struggles, or speed bumps in the path her deep love of her son always showed. I will miss her quirky ways and sense of humor. She could get me laughing so much it would hurt. May peace be with you and your family.

“ I met Angel and her father years ago, while singing karaoke. She stole my heart at the first note she sang. She had the voice, heart, and soul of an Angel. I fill very blessed to have known her. R.I.P. sweet Angel, I shall never forget you. Love you always, Belinda Jenkins

“ I first met Angel at Turkey Creek Jr High. We became instant friends!! She was always so goofy and fun to be around!! I truly did grow to love her as one of my best friends! But as always, life got in the way and we grew apart after school. We finally found each other a few years ago and I couldn't have been happier!! I'm so proud to have been able to call her my friend! I pray for peace and understanding for her family and for her precious son!! You will be deeply missed sweet Angel!!! All my love!!

She always was an Angel. It did not take leaving for this to come true. I am so heartbroken for her family and especially for you, Phyllis. I know that each and every person that loved her feels a part of their soul is missing. She always brought a bright light into every life she came in contact with. May you rest easy Angel. You took a world of love with you

“*To the family and friends of Mary: First I would like to send my condolences for your loss. It is difficult to lose a loved one. But God promises it will not always be like this. In Revelations 21: 3,4 we are told, there will be more death, suffering, crying, nor pain. These former things will pass away. Take heed in God's word and have unshakable faith.
