“ Mom, Lisa and Johnnie, my heart goes out to each of you during this time of grief. Pop was such a wonderful man. He was loved by all those who's lives he touched. I found a photo of us fishing at Lake Ar buckle. He photo bombed me with my catch of 4 large bass of the day. I will cherish all the memories of us camping and fishing down there. Those were some great times catching all the bluegill under the cypress trees, speckled perch fishing and bass fishing down by the creek. I'm sure he is setting up there in heaven now with Dennis talking about all the things he will miss here. Until we see him again. You are all in my thoughts and prayers. RIP Pop.
