

## Mrs Maxine Hendricks Davis

May 18, 1930 - November 17, 2018

Maxine Hendricks Davis, age 88, born in Foley, Florida on May 18, 1930, died peacefully with family at her side Saturday, November 17, in Tallahassee.

Maxine grew up in Washington, D.C. where her parents found work during the Great Depression. She loved to remember playing jacks on and floating balloons from the Capital balconies, of wandering with her friends after school in the Smithsonian museums, of watching July 4th fireworks on the Mall and seeing FDR in his inaugural parades.

When she was 14, the family moved back to Lithia, Florida where she attended Pinecrest School. She later became its school secretary and retired after many years of service.

Reading was always her passion. She also enjoyed going to plays with her friends and traveling with her husband, daughters and extended family.

She epitomized springtime and remained forever young at heart.

She is preceded in death by her parents, Ola and D.C. Hendricks, and her husband, Roy Eugene Davis. She is lovingly remembered by her children - Donna Ruffner (Ted), Julie Loper (Palmer), and her stepchildren - Tanya Wiebe, Patricia Smith and Roy Davis, Jr., and her grandchildren - Kelly,

Joseph, Malinda and Stephanie; and her great-grandchildren, Gabby, Skylar, Christian, and Jordan.

The family also would like to express thankfulness to the incredibly caring and supportive staff at Your Life Assisted Living and Memory Support Community and to Hospice for lovingly and gently assisting Maxine and her family through this passage.

A service of remembrance will be held on Saturday, December 1 at 11:00 AM at Hopewell Funeral Home, 6005 S County Rd 39, Plant City, where the family will receive friends beginning at 10:00 AM. Burial will follow at Bethlehem Cemetery in Old Chicora. In lieu of flowers memorial contribution may be made to the charity of your choice. “ Maxine Davis..... The true definition of the word "LADY". I loved her, I missed her, and I told her so. We had so many great times together at Christmas parties, the hunting camp, weekends at the lake with the gang, or just walking in the mornings at the park. I saw the light in her eyes dim when Uncle Roy passed, and I wondered how she would ever make it thru without him. I was relieved when Donna came and took her to live with her, I knew she would survive. I will always have nothing but happy, loving memories in my heart when I think of Ms Maxine.... Rest in Peace Lady..... Love Diane Conrad

“ When I moved to Florida it didn't take long for Maxine and I to become friends. We both had a deep love for "Gone With the Wind " Oh the memories, they are rich. We went to the Tampa Theater for the 25th Anniversary viewing .. As I remember we enjoyed saying all the important lines to each other. Memories are wonderful !
