“ Deeply Sorrowed to learn of the passing of Maxine, I meet her many years ago while working in Law Enforcement for the Plant City Police Department. I would deliver paperwork (Traffic Citations) to the clerks office several days a week to Maxine. She was a matter of fact person, with a big heart, and she LOVED her family. I know she will be missed and our world is less without her, but heaven is a better place with her.

“ I remember meeting this sweet and gracious lady as a teenager. A birthday get together for Legay. The whole family together welcomed us teenagers with love, laughter and a great time. (Even Benny) Through the many years of seeing this sweet lady she always shared her love for life and her family. She would share her thoughts with you and as you would leave have a smile on your face. My thoughts and prayers go out to the family with my love.

“ *The Turner family sure loved Maxine. I cannot recall ever spending time with her that she wasn't laughing and enjoying herself. What a special lady she was to know. Our mom, Joyce Camp, and Maxine always shared updates on family information. NO....they would say, "this is not gossip, it's news"! The two of them enjoyed each other so much. Now they can compare angel wings! What a glorious day it will be when we are all together again. God bless each of you as you and may He give you comfort.*
