“ It feels like it was just yesterday when me and you were out watching the fight a dukes, you was like a brother to me that I never had, always looked out for me and would tell me to keep my head up and don't go down the wrong path. I just wish I had freed up more time to come see you, I love you man, you'll always have a place in my heart.

“ He'd give the shirt off your back to anyone who needed it. He had a genuine pure heart and He was always there whenever you needed him to be.

I'll never forget the night I called him around 2am because everyone was too drunk to drive and he didn't even hesitate to tell me he was on his way , and took me home.. He was the most amazing person I could've known.. He loved playing his Xbox every time you asked what he was doing it was " just playing the game or hanging out with Gunner " he loved his little boy more than anything and I hope Gunner grows up knowing that his daddy would've given him the world if he could've.

Rest easy sweet angel. I love you forever Kenzie.
