I have many sweet memories of Melba she was always a pleasure to talk to , When Richard and I would stop by to see her she would always welcome us in with open arms she was like a second Mom to Richard , And he thought the world of her . I never seen a time that we were visiting that some of the grandchildren were not there and I'm telling you she cherished her babies and her children she was very much a family person and a woman of faith that's what I loved about her and we have known her most of our lives we will truly miss her ❤️ So to her family just know that Ms. Melba is at peace now in a better place we love you all and will keep you in our prayers.
