“ Dear Brother Tommy and family, My heart is saddened with this news. The struggle is over for Sister Melissa. I remember, the last time we were at Hebron eating lunch together, the obvious love for one another, strengthened through life's struggles shown on both of y'all's faces.

I pray our rich and loving God, through Christ, will grant each of you the Holy Comforter.

You are in our prayers and thoughts.

“ To Melissa's Husband Tommy, Children and all the Family. My husband Bobby and I send our prayers and love to you all. Melissa was very special to our family when she was in high school. Life moves people in different directions and we didn't see her very often after that. But whenever I ran into in town, her face would light up and always gave me a hug. I loved her... and some of her prom pictures in our family album. Please know you are all in our thoughts and prayers. Heaven's gain is surely Earth's loss when it comes to Melissa. She was a very special young lady.

“ No matter what was going on she always had a smile on her face and love in heart. Her unbelievable strength, perseverance and sweet gentle soul was something that I personally will never forget and will always look up too. Mr, Green, Caleb, Josh and Caitlin I pray that God gives you the peace that surpasses all understanding during this time, as well as the rest of your family. Knowing that she touched so many lives while she was here and is now at complete peace in a brand new body of Christ is comforting, even as hard as it may be. We love y'all with all hearts and will continue to pray you thru this. Love James, Karen and Bekah

“ Melissa was a beautiful example to anyone who met her. I looked up to her as a wife and mother and a child of the King. She was meek and quiet, yet her disposition and actions spoke volumes. I thank God I knew her. Please know I'm praying for your family have "celebrated" sister Melissa with many memories of her. One of my favorites is when y'all sang at my wedding!! Love y'all very much.
