“ *Sleep peacefully now sister, for you are not suffering anymore. You were such a child when I married your Brother, You became another one of my sisters over the years we argued as families do. But at the end of it all we knew that we were family and loved each other. Life hasn't always been Suger plums and fairies, it has been a hard journey but you are finally at peace and have no more pain. I know you are with mom and grandmomma and all of our loved ones. I will truly miss u Brat I love you.*
