“ *Missy was such a beautiful person. I enjoyed spending time with her and her family. They always welcomed me in as one of their own. I really got to know her on the family trip to Costa Rica and realized she was such a carefree loving person. Let her beautiful spirit live on! Love you Melissa and family! 💕*

“ Still so hard to digest, she was a lovely soul. I met melissa through my grandchildren because they attended her home daycare. She was also my neighbor just around the corner. She was passionate about children and took very good care of all three of my grandsons Joey, Skeets and Caleb. They called her sha sha because they could not say Melissa. She was always so pleasant; she will truly be missed. Love and prayers for your family Donna Putnall
