“ I just found out today because I was in detox getting clean. Melvin was basically the life of the party always full of life and energym I can say I love him. I'm so sorry for your loss. I wish I could come to the service honestly I do but I have to go to my program Tuesday next week. He always told me to get out of these programs and make my mom proud of me. So as of today I'm turning my life around not only for me but also for Melvin cause he always told me to get off all that other stuff. I'm so sorry for your loss.
