“ Dear Tom & Richard: Other than my parents I do not believe a person has ever left such a lasting impression on me like your mother. Her years of teaching primary and juniors in Sunday School, teaching junior choir and most of all her piano lessons. Never have I met such a talented person and she used them to glorify God. Thank you Merle Taylor for being in my life. May you "Ring those golden bells forever." With such deep graditude, Bertie Hagin Killebrew##imported-begin##Alberta Hagin Killebrew##imported-end##
