“*Bubba, it's hard to believe that you're gone. I know how you suffered in the past 10 years and so many times I wished I could do something to help ease your pain, and I've said many prayers that God would ease your pain. Our hearts are saddened because you're no longer here, but I know you're not hurting or suffering anymore. I love you and will miss you greatly. Rest In Peace my brother til we meet again.*
