“ Our families thoughts are with you and we are very sorry for your loss. I had the pleasure of working with Mike for sixteen years. You could not have asked for a better co-worker, friend and man. Mike always had a smile on his face and was always concerned with everyones well being. This was made evident by the amount of peoples whose lives he touched in some way. We considered Mike a part of our family at Albertsons and he will be sorely missed.##imported-begin##Tony Munoz##imported-end##
