“ *Debbie, EJ,Michael and Family,  
It's been years since I've seen all of you. All I can say is you've touched my heart. We had some great times in that van, at your house watching scary movies. Even a few things Michael just reminded me of. He's in my heart. I cherish those times now. I wish I could be there to hug each one of you. With deepest of sorrow big big hug. I love you All!
