“ We will miss Mr Mickey, his smile, his kindness, his music, and most of all his Howdy Neighbor greeting. Im looking forward to hearing that greeting again someday. Thank you God for blessing me with his friendship.

“ Mickey and I shared the same home room at Pensacola High School for three years. He was a gentle giant in the true meaning of that expression. Always a fine Christian gentleman in class and a ferocious competitor on the football field. I always looked forward to seeing Mickey at our high school reunions. He will be missed. Go Tigers!
