“ Mike played a huge role in the growth of the mortgage industry. Most people will never know the part we played in changing laws to improve the borrower's position. Mike was an inspiration to many through those trying times and I hope my saying thank you to his family helps to represent all those people he helped and will be helped in the future. Thank you for sparing him to do this for all of us.

“ I met Mike during a Real Estate transaction and within 10 mins of meeting him, he was witnessing to the buyer and me. I let him talk and witness as long as he wanted, because even though I was saved, I knew that his words were landing on fertile hearts with the buyer. From that point on, Mike was the only lender I ever referred people to. From that point on, I considered him a friend and brother in Christ. (And also a miracle worker when it came to difficult loans. Mike would always go out of his way to help people! He was indeed a special person in every way! I will miss my brother in Christ. Sending hugs and prayers to you Carol!

“ Mike was a big supporter to the mortgage association over the years, before & after his presidency. I enjoyed serving with him. He is very young to have left this earth. I enjoyed serving with him.

“ I remember Mike as a larger than life personality. He was always full of life and fun!

I am so happy to know for sure that he is now enjoying eternal life in heaven with Jesus!

Carol, I will never forget your kindness to me after my Mike passed. That really meant a lot to me. Grief isn't easy so take your time and cherish the memories the two of you have made.

Dearest Carol, we were shocked to hear of Mike's passing. He was larger than life. I know back in the day, Clay looked forward to the Gator vs Seminole football. He grew in his faith and love of Jesus and we feel bless to have been apart of your amazing wedding. I'm so so sorry for your loss. I am in shock. 🙏 Diane & Clay Thompson.

“ Mike Brady was a legend in his own right. He was my superior for a few years at Sunrise Financial. He hired me as one of his loan officers and he taught me much about brokering. I came from a banking background and brokering loans was a different horse. And I closed some loans through Carol at her title office. Mike had a huge personality and always had a new game plan of some sorts. His intelligence and manner was very out going and he will be missed by many friends. I won't forget those days at Sunrise nor will I forget the owner or the many friends around Mike that i keep myself! Rip Mike... so glad you accepted Christ.

Carol I'm so sorry for your loss... keep those puppies close they'll help. God Bless...you!

We grappled on Facebook the conservative vs. the liberal. We disagreed but weren't disagreeable. God rest his soul.
