Beautiful tribute to a beautiful and loving lady who I'm proud to call my Aunt Mildred. One day I stopped by to see her and Uncle Ira on my way home from Lakeland. She says to me "Edward you don't look like you feel too good, she took my temperature and told me you're staying overnight, I think you have strep throat so she called my wife and told her he'll be here overnight. That's just the kind of woman she was, always taking care of people. My wife, son and I attended their beautiful Anniversary Dinner Party, there were so many people there, family and friends. No matter what you needed she was there for you always with a smile. We cherish all the wonderful memories and time we have with her. Her time on earth was done and God has gained a beautiful and loving Angel to carry on his work in Heaven.

“ Oh how I loved that wonderful lady.. Aunt Mildred was one of the sweetest ladies I have ever known, and she will be missed by so many. My heart hurts with her loss.. I remember that she had the sweetest smelling bed sheets every time I got to sleep at her house, and she once saved my rear end from Uncle Ira, after I wet a bunch of baby chicks they had in a cage. I was trying to give them some water, and I didn't mean to wet them. Aunt Mildred saved this little boy from a spanking. It's funny some of the things an old man can remember sometimes... R.I.P. Aunt Mildred, I loved you and will miss you so much.
