“ I was fortunate enough to meet Chipper about 6 months ago through his beautiful wife Emma. I'm Emma's new hairstylist and she wanted me to meet Chipper and cut his hair. I've been at this trade for 26 years and every so often you meet a soul that touches your heart where you make a connection like you've known each other all your lives, one of those was Chipper. He could fill up a room with so much life and laughter. I enjoyed every moment I was lucky enough to have had with him. Our friendship was way to short but I will always remember how he warmed my heart with his presence. He will be greatly missed. I feel truly blessed to have known this wonderful man even if it was only for a a short time!
Love and hugs,
Holly

“ Chipper was a very big influence in the start of my child hood. He molded me into the man I have become. Even though we have grown apart over the years at my regret, He will truly be missed by me and my family. I truly remember the picture above of him it was some the best memories I have. With all the hearts he has touched in his life he will be missed Dearly.

“ Chipper was my cousin and my brother. We came from a loving family and shared many good memories. He was a loving husband, father, Papa, cousin, friend, and neighbor to a lot of people. I pray God will send his Holy Spirit to comfort all of these people.

Chip I know you are back with our family members that have passed beyond the veil and enjoying yourself. We will carry your memories with us and walk on with the Lord! You will always be with us.
