“ *Sister Capps was my pastors wife 38 years ago. She hired me as a receptionist for the church for 6 years. She taught me a lot about being confident in God.*

Once a message was given and Holy Spirit was given me the interpretation. I was so scared. I just froze. Someone else delivered it. It was exactly what I had been given. Sister Capps came to me and knew. She encouraged me to step out in faith.

“ *Always a warm-hearted friend who dearly loved her Lord. Her service to Him here on earth is undeniable. Very generous and giving, and I will never forget all she did for me to enable me in my christian walk. She will always be in my heart as one of my dearest friends. Rest in peace, dear friend.*

“ *Sister Nancy was my pastor's wife many moons ago. She encouraged me to sing my 1st special/solo at her church. She also gave me the cassette to sing. She had a big heart, she invited me over once many years ago and told me pick out a new dress out of her closet. I wasn't comfortable with doing that. She pleaded over and over during our visit. When I got ready to leave a new dress was hanging on her door. She said, don't take my blessing away. She was a great teacher too, and friend. May her family and friends find comfort in her great love for the Lord and her family n friends.*
