“ Beautiful memories flood my mind when I think of Ms. Kelley. She was such a loving mother not only to her children, but to many of us whom she took under her wing. Something she did year after year-- which made me feel so loved-- was to receive birthday cards from her in the mail. She was selfless and always thinking of others. We also shared common interests that only brought us together. There was nothing else like baking our hearts out to make others happy. A skill she executed with sublime perfection. :-) Her sweet giggles and simple hearted nature worked as a magnet to keep us engaged and entertained in quiet moments. I treasure her hand written recipes, one being her top homemade carrot cake. :-) Ms. Kelly built memories --engraved on my heart. Ms. Kelley you are precious in God's sight and now rejoicing in the presence of our Savior and Lord. What joy! You have been promoted to a heavenly place! You will be missed and remembered with great love. Nora Compean

“ I will miss your sweet smile and the joy on your face when we got to see you at our get-togethers and how we loved to eat your carrot cake. I remember that when we first moved to Panama I took one of the carrot cakes with us and I could see everyone's face every time we went through the airport scanning process. But it made it to Panama and boy did we enjoy it.
Rest in peace.
