“ My beautiful Mother, you are the most kind and loving person and the best Mom in the whole world. You always had a heart of gold and would help anyone in need. I am so heart broken that you are not here with us anymore and I know that I will be with you again in heaven one day but I miss you so much. Thank you for giving me such a wonderful life. I think about you all day long. I love and respect you and look forward to being with you again. All my love to you, Jeanie

“ Dear Mama, I know when you left to be with the Lord that you were ready because you gave each one of us a lesson in life. All i know is that i always pulled pranks on you and you just flowed with it. When i first met you back in 1984 and you always invited me for lunch at the cafeteria every day and made sure i had plenty to eat. I can still taste those homemade rolls and Pizza with fennel. I always thought you were a special Lady and you will never be forgotten. There was a joke about how i had you wrapped around my finger but it was me who was wrapped around your finger for ever. And nobody ever new this till know about you but but you loved to fish and caught some big snook in your day and you always made it look easy.I maybe should of gotten lessons from you.

Love you always Mickey
