“ *My deepest condolences to Miss Sharron, Hunter Family and Friends, I had the pleasure of working with Randy for almost 22 years. Randy dearly loved his family and took pride in his job, and it showed. I always enjoyed talking with him when he'd stop by the office.... catching up on how the family and grandbabies were doing. Before he'd leave, I'd say to him say hi to Miss Sharron for me and give her my love and he would say, "I sure will"! He'll sorely be missed by his work family. RIP Randy*

“ Randy was a man who always stepped up. He was not someone who waited for someone else to fix a problem, nor was he someone who shied away from the difficult, heavy work of life. He was a leader, took responsibility of those who worked with him and made sure they went home safe to their loved ones, a man of integrity, and above all, a man who showed up, day after day, for those he loved. He will truly be missed.

“ We have so many fond memories. All of the times talking over the fence with the dogs chasing each other. Sharing fishing stories around the campfire. Randy always jumped in to help when we needed a hand and to offer advice on country living. His larger than life personality coupled with his warm heart always brightened the day. We have been so blessed to have him and the Hunter family as such wonderful friends and neighbors. Rest in peace. Eric and Christa Bessell
