“ Buddy, we can't believe it's been a year since you left us. You are always in our thoughts and we continuously speak of all fond memories you gave us. There is not a day that goes by that you aren't being remembered for some of the funny, crazy, sad and especially aggravating things you did to all of us. We cherish the special times you gave us and will always be in our hearts and minds. Until we see each other again. Love and miss you with all our heart! Dad and Susan.

You will always grieve. You will not get over the loss Nicky, you will just learn to live with it. You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again but you will never be the same. Nor should you be the same nor would you want to that's because you loved him unconditionally you are is mother. But you have so many people who love you and don't expect any different and we are all here to pick you up when you need us. Love you Granny/Mama Sandi

“ Dear Family and Friends of Nicholas Dawson,

Though I am a stranger, I wanted to extend my heartfelt condolences of Nicholas' early passing. I wanted to share a thought with you. I have done extensive study and research on why the Lord takes some of us way too soon. What I have learned is that when the Lord sees that a particular individual has honed their skills so well, the Lord calls them home. This is the actual birth! Nicholas now enters eternal life to work more closely with the Lord. His life has really only just begun! It states in the Bible that those who have ascended to the Lord now possess the strength and abilities of 100 men. It is readily apparent that Nicholas was very special unto the Lord and He needed him soon. I have been blessed to witness their afterlife and seen what awaits the Ascended Ones like Nicholas. If you could see the Love, the Beauty, and the Peace that awaits us in God's Heavenly Realm, it would bring tears to your eyes.

Understand that Nicholas really has not left you at all! He has merely been transformed into his most ascended state of existence in order to be free from the physical body to do the Lord's Work all over the world. Nicholas is set free to help many, many countless people on this earth. Be proud! Nicholas was taken for his excellent skills God needed that the physical body limited him. God Bless you in your time of grief, but rejoice in Nicholas' new Eternal Life with Christ!!! Nicholas now begins a journey that is more immaculate than I can put into words. Those of us who pass in Christ's Name NEVER EVER "die"! There is no such thing as "death" with Christ. Only Life and Salvation into Eternity. It is so beautiful. I Pray that Nicholas may even be able, with God's Permission to show you his eternal peace and happiness he now enjoys. God Bless you all,

*~~~~~ Mark W. Gregory
