“ *I just spoke with Aunt Nida not too long ago after learning of the passing of my dear cousin, Janey. I went to call her today and then I saw this on the internet. I am deeply saddened to learn of her passing. My heart, thoughts, and prayers go out to her family. Love, Pam*

“ Aunt Nida was always a very important part of my life. She took care of me as a child while my mom worked. Even before me, she took care of my brother Jerry Michael. We had such good times laughing and crying together. Nida, Jane, Mom and I spent many wonderful times together. We went to Gatlinburg Tennessee, Branson Missouri and made many trips to Disney World together. We loved to play the card game "Set Back" every time we got together. Nida and Mom were pretty good at cheating and acting oh-so-innocent about it. We also spent many holidays together, the Jessee girls sure knew how to cook! She was always loving and always enjoyed being around her family, especially all the little ones. I remember she called little Cain, Taco, because she remembered the story that Olivia had told me about all she ate while pregnant with him. I will miss her greatly, but I know she wouldn't want to be back here with us, because she is in the presence of her King-- Jesus! I bet Nida and Jane are rejoicing and singing before their Lord. I know one day we will all be together again for all eternity and that's what helps with the pain of losing her.
