“ Started getting emotional about you today grandma. I sure miss you. You were the one person who understood me, and even when you didn't I always felt you cared enough to listen. I think I'd give just about anything for a game of 2 person solitaire. Love you, Jack

“ Woke up this morning thinking about you grandma. It's been hard on me you know, I really feel the loss of you and it's been a struggle. I hope you bring me peace when I need it still as you were always my shoulder and best friend. I already miss our gossiping and how I made you laugh with my sarcasm. I sure love you old lady. I really really miss you.

“ I am sorry I could not be with you today. Hugs, prayers and much love sent. I have so many good memories of your Mom and my Mom. They were quite the pair. Cherish the memories, she will live on in your hearts. I had a tree planted in her honor.
