“ Sending memories to the family of Mrs. Cooper (that is what I called her) I remember riding the school bus. Next memories came from my grandma's house, Sally Hansford. My mother, Velda Hansford Trowell worked with Mrs Cooper at the nursing home. We were grateful to Mrs Cooper for providing the car for going to work. Through the years she continued to be a good neighbor by sharing fruits and vegetables. Mom and she had some of the same issues in life. Both husbands had mental health problems. Neither ever lost their married name. It was to death do we depart, not until you get sick. What a marvelous statement each of them made. WITH OUT SAYING A WORD.

She will sleep in peace until Jesus calls her forth, just as he did Lazarus. He was in the tomb for four days, his body had begun to decay. When Jesus said Lazarus get up. He did. Lazarus had been resurrected back on the earth. What a marvelous example Jesus set for us. May she rest in peace until Jesus calls her forth

“ My memories of Louise span many years. She was always close to everyone and cared deeply for them. She was always fun to be around. She was not related to me but was related to some of my aunts. I considered her family..... and the Lord made us sisters. Our love and prayers go out to the family for peace, comfort and strength.

God bless, Calvin and Donna

Louise was not only my bus driver, but family too. She is my mother's 1st cousin, and her kids and I grew up together. She has always been a part of my life. Love and prayers for you, Glenda and Elaine, and the rest of the family too. Oh, what a day that will be, when we all get to Heaven!!
