“ I worked with Norm at Publix in Plant City for a few months back in 2003. He even came to my wedding! He was such a sweet man and we enjoyed talking about church and his family. So sorry to hear of his passing but thankful he knew the Lord and this life is not all there is!

“ *Norman was a class mate of mine as well as a neighbor in West Allis, Wisconsin, Norm was a great inspiration to many of us playing baseball in his own unique style. He was a smiley guy in school. I have not seen Norman in a longtime since he moved away. but we always looked for him at class reunions held every 5 years. God bless all of his family at this sad time. God always leaves us our lifetime of memories to carry us each day. My deepest sympathies to all. Jimmy Reid Goodyear Arizona.*
