“ *Strong hands that picked me up when I fell.
Strong arms that held me when I hurt.
Strong wisdom when I needed advice and Comforting smile when I
accomplished the hardest obstacles. All are now at rest & I have
come to peace with your passing. I have & always will be Daddy's
girl. I love you forever & ever and that's not long enough. Until we
are together again--Cya & Love you.*

“ To my FRIEND that helped guide me through life,
from adolescence to adulthood with 3 children and a wife.
My FRIEND was there when my son died from the cancer bug,
My FRIEND seen me in pain and gave me strength with his hug.
I made some bad choices through life but my FRIEND forgave me,
My FRIEND is truly the kind of person I wish to be.
My FRIEND is strong , wise and very kind,
These are all qualities I try to use in my daily grind.
I'm grateful for all the things I've had,
But to be like you is all I really want DAD.

I LOVE AND MISS SO MUCH ALREADY
