“ We have lost a beautiful life. But she is home now and out of pain. Although that being said, it does not make it easy to let her go. You were like a mother to be. I loved you so much. When I was around you I was a different person, I had so much respect for you that it brought out the good in me. I will never forget you, and now I live each day looking forward to the day I am reunited with you and all my loved ones that you are with now. R.I.P. Dinky. And please continue watching over me, until we meet again.

“ My "Deepest sympathy" to Dinky's family and friends. She was such a beautiful lady with that wonderful personality and beautiful smile. When I shopped at Felton's she was working there at the time and had worked with her brother for many years. She always had that smile on her face and was happy to see you and would take the time to talk even if she was busy. That was about the only time we did have to see one another and I will never forget the kind, sweet, beautiful lady she was.

“ I am so sorry to hear about the passing of Granny. Over the last 7 and a half years, I have loved the time I got to spend with her and the Cribbs family whenever Keith, Kathy and the kids came down. Thanks Granny for including me in the family. You will be missed by many.

*I am sorry to hear about your loss to the family of Cribbs and Williams. I am sure you already know what a sweet lady Miss Dinky was, I have known her since I was a teenager and she has seen my kids grown and now I am a grandmother. She was the kindest, sweetest lady anyone could ever meet. Her smile would invite you in without a word. Everytime I go to Felton's I always look for Dinky or she find me. She will be missed but know this she is in heaven sitting with the lord discussing her next round of good deeds to do. She has always helped someone along through out the years whether family or friends or strangers she met. Miss Dinky, say hello to Mr. Felton and I will be looking forward to hearing of gods good deeds for you both one day. God bless all and remember her with pure goodness, a one of a kind lady... Love, Gina-Marie Mondsini, Theresa DeCroix and Michael DeCroix and Giuliana DeCroix. .P.S. Thank You Miss Dinky for watching over my dad all these years!!!!*
