“ *Many memories -  
Bro. Orton taught me to appreciate the rag of the grapefruit, and I  
later learned that it is where the highest concentrate of bioflavonoids  
is ...  
We served together as deacons when I was young, and I remember  
his and Faye's involvement with several other sets of parents in  
some of the youth outings ...  
Know he will be missed - prayers for all -*
