Oh how I loved Pam. The sweetest lady. I worked with her at Ametek and became close friends. I loved her smile and great kindness and sense of humor. We laughed do much together. Leslie she loved you so much. I have had my heart broken today after seeing the Obit but I know she is in the arms of God and all her love ones. Her friend, Yvonne.

“ *Pam shared wonderful memory making hijinks, fun and laughter with her group of Pinecrest compatriots and I was one of them for many years. How lucky we were to be part of those life changing times of the '60s, but also all safe and secure in our cocoon of a small rural community and school.*

Remembering her gentleness, her sweet face and way of speaking brings a light to my heart. I am grateful for laughing, studying and dancing with her and our other friends through our many Pinecrest years together. It is always hard to accept when one that was once so close leaves the planet before us. It feels emptier and is. Her essence stays with us, though, through our many memories.

I wish for peace and healing love for her family and friends.
