“ Today is your Second anniversary being in Heaven. How sweet it must be and Dad "Bubber" is there with you. Sure you never thought you would see that come to pass. And today Janet is on her way. Mom will be dancing to see her. I love and miss you more than words can express. But I too will join you in God's timing and it will be a glorious day to see our Lord and Savior and family. Love you Sandra

“ *I am honored to have known you for the past 21 years. It was fun working for you at the auction and on the side "laying" you all weekend and coming back to do you again. That tile turned out good though and was our fun little joke. I will miss you, Patti, but know you are in a much better place now. Jeff McCafferty*

“ i remember her giving me her necklace she got from the Bahamas. It means a lot to me that she trust me with it and that she would give it to me. It's my favorite necklace and i have not taken it off since i got it. It feels like im wearing a piece of her on me and that gives me comfort. I love and miss her deeply.
