“ I share in the sadness of your Mom’s passing and the celebration that she is now in the loving arms of our Lord, Jesus Christ. May He hold each of you close and give you comfort beyond our human understanding. During my childhood years growing up on Trapnell Road, I spent many fun times at Ervin’s & Kay’s home. One of my favorite memories is her pulling up in her big car, at Springhead Elementary, for us kids to load up in for her to take us home on rainy days. Back then, we just piled in, sat on top of each other, and off we went, of course she had to get on to us when we were rowdy, fussing, and picking on each other. It is a mystery to this day as to how in the world did the Clemons, Davis, Browning, Brown, and Sparkman kids all fit in her car:-) Much Love & Deepest Condolences ~ Tracy Sparkman Cox

“ Kay has always been my "2nd" mother. My mama "Mae Smith" died when she was only 44 years old and she made Kay promise to always take care of "me" her daughter. Before my mama died, Kay had my mama paint a picture for her of what she thought it would be like to go to heaven, that picture is still around somewhere and I hope it was like she hoped it would be, to go be with Lord. So this wonderful woman was my mother here on earth for many more years than I had here on earth with my own mama. Kay helped to bring joy into my life while my mama awaits the rest of us.
