“ I was so sorry and saddened to hear about the loss of one of my dearest and closest friends growing up. Patsy was a great friend and we were constantly together whenever possible, I have awesome memories of my times spent w her and her family. I didn't have the privilege of meeting her children or grandchildren but my prayers are with them and Beverly and her mom. ?

“ I can't attend her memorial today, but I did want to say that Patsy was a very special person and a friend to me over the years. Her abundant love for her children, grandchildren and all her family was evident every day of her life. She also loved and cared for the children and grandchildren of many friends. Patsy would help anyone she could, any time she could, in any way she could.

*I will remember her smile and laughter and the way she made others smile. And I will miss her.*

“ I met Pat the first time she came to Turkey Creek First Baptist Church. What a very sweet lady. She talked to me about going on one of our Senior Adult trips and how she loved the music that was played that morning. I did talk with her another time and was looking forward to becoming friends with her. Her death has taken me by surprise but God was in need of this beautiful lady and he took her home. We will be praying for the rest of the family during this most difficult time. May God Bless you all.
