“ I remember The Mayfields when they came to the Ft. Meade Creel Station to check into the old phosphate mining pits to go fishing, sometimes all four days we were open. Mrs. Pat was a very sweet lady. My Condolences To Her Husband & Family

“ *My name is Karen Bailey, I drove school bus in Fort Meade. I sub-teach at the Elementary school too.
If I came in with a problem with a student, she would make sure it got taken care of. If a teacher was out that day I would get called to fill for the teacher.
Pat was a very good secretary & she meant business. Took her job seriously.
Rest in peace my friend. You are in our memories*

“ *I remember her when I was in elementary school. She was so sweet and so kind and beautiful, but don't try to fool her cause she would get onto you lol and then I had the privilege of running into her again later on and always maintained the same sweet personality she has always had.
My prayers are with her family*

I worked as her office asst at Lewis Elementary when I was a senior in high school. She was the most positive and sweet soul who knew exactly how to deal with little "rascals". I always admired her family unity and how they enjoyed camping and spending time together. Prayers for her loved ones 🙏
