“ I worked with Patsy for approx. 5 years with CooperSurgical. Patsy was so helpful throughout the years. We shared many laughs. Patsy never took corporate America too seriously. However, she took patient care very seriously and was a wonderful, caring clinician. May God rest her soul.

“ Patsy, my sister, was full of love for not only caring for people being a nurse for almost fifty years but also caring and loving animals. She was intelligent, strong, and courageous. She fought cancer with all those strengths. Patsy was Buddy's soul mate for almost fifty years. She is in heaven now with no more pain and tears. Peace and love and comfort is hers and ours await us soon. We will be with her as we have accepted Jesus into our hearts. I love and miss you little Sister.

“ She will be missed, and there are so many family memories but to share them again around the kitchen table would be really nice. Remembering the dinners with Buddy getting the biggest piece of the chicken pot pie and Patsy laughing will be with me forever.

“ Patsy was my best friend at Springhead United Methodist. Her parents were so welcoming to me. Her Dad even taught us to drive a standard transmission in his 55 Chevrolet. I'm sure Patsy was a wonderful nurse because she cared about people and I am sorry she was taken so soon. Prayers to her husband and her sweet sister Elouise. Paula Tweady Papanek
