“ Now, I had only met Mrs Pat a handful of times through Tina and Phillip but she always left a very good impression on me! I would like to say, She was a very Sweet lady. I called her house phone one day, very distraught, because i had just gotten into my very first car accident, My husband was out of town and I could not reach anyone. I was scared, upset, & just a complete mess. She helped me calm down over the phone, she made me realize i was ok... before hanging up. Since that moment she has always held a place in my heart and always will.
