“ Continued prayers for comfort and peace for John, Cliff, Johnny, Mary, Jackie and each family member! I have such wonderful memories when we were young growing up of our families being very close and always together! Pat's mother Aunt Mamie was my mom's sister and her dad was my dad's first cousin. Her sister Eloise was closest to my age. Pat was beautiful inside out! Our families enjoyed times just being together, we did not have TV and the many things wanting our attention back then or we were sheltered from them! We had time for each other! Pat was loved big and will be greatly missed, but I am thankful that she has won her war with cancer! She's safely resting in the arms of Jesus and we that are HIS children will see her again! Thank YOU JESUS!!!

“ Mrs. Henderson was one of the first friendly faces I met at our place of employment. Every single morning for years she made it a point to give me a friendly, shining smile and a warm greeting. She devoted herself to her work and it was apparent how much joy it brought to her life and to the lives of the children. She would always stand at the same spot and ever since she left there's been an unfillable void. Eventually we shared stories of our lives, and hers was always a comforting presence and a conversation with connection. Rest in peace Mrs. Henderson.

“ I remember when we were 12 or 13, pat and my brother Eddie were sitting on their porch swing and I was all the way at the other end by myself and my end of the swing broke and sprained my ankle. We used to go to Aunt Mamie's on Sundays and us kids would all have a good time. Pat was a beautiful person and she will be sorely missed. She and I were the same age so we got along real good. I know she is in the arms of angels now and at peace. Connie Roddenberry

Thank you for sharing this. It's always nice to know things about things about those who've made an impact in our life which are beyond our specific relationship.
