“ TO All the Family, My heart goes out to you all...I hadn't seen Uncle Paul since before My Dad (Boyd) died. We stood at the hospital bed as he said his goodbyes knowing that would be the last time. They are together again...there was so much love between these two. I thank your Dad for helping my Daddy be the man he was...And for being the man he was. I will truly miss him but will always have those precious memories of my youth when we all got excited that Uncle Paul was coming to town. Till we meet again Uncle Paul....love you always, Sandy##imported-begin##Sandy Lear Sheppard##imported-end##
