“ Man... I am just now hearing of this. It's like a punch in the gut! The world is a little darker place now that Paul is no longer with us! I was Paul's roommate for at least 1 semester in Huntsville way back when. The first time I met him, when he rolled into town with his buddy Jeff Hawkins, I knew he was a "Kat" that I wanted to hang with. What an absolute joy of a guy to be around! You couldn't stay, sad or down when Paul was around. He used to crack me up every time I was with him. Especially when he would do his sportscaster "play by play" takes that would come out of nowhere! Man what a hoot! I'm laughing just thinking about it!!! So my fair haired Florida team mate and friend has crossed over to Glory!!! Halleluia!! Prayers for peace and comfort to all those who love and miss him. Like Billy Joel sang... "Only the good die young!" Paul was definitely one of the good guys!!! God Speed Paul Seifert!!!

“ Paul,

*Thank you for being so nice to me as a coworker in my early career and then afterward as a friend to the family. I wish I had taken you up on that offer to catch up by phone in our last email where I sent you an article about the Buckley's. You created a beautiful family that will carry your kindness and spirit on.*

“ I am so sorry to hear the sad news about Paul, my thoughts and prayers for his family. I am thankful to have worked with Paul in his job as a financial advisor over the last twenty years. I will always remember that every time we met he greeted me with a smile on his face and kindness in his heart, he was a good man!

“ The last time we were together was in Paul and Karen's home in Oct. 2017. It had been many years since we'd been together as a family so it was a real blessing to catch up. We didn't get to spend time with him often but he was always so kind, generous and so much FUN!!!

I talked with him on the phone last summer as he patiently explained things that my Mom needed help with. So thankful for his life and for the way he loved his wife and children and granddaughter and his Savior.

Blessed to have known him and will be in prayer for Karen and all the family during the days and months ahead. So grateful for the hope we have in Christ that we will see him again one day. Joy and Jack - your family in Spain

“ Paul left us with so many sweet memories of all the years we knew him and are so glad he became part of our family. His continuous smile and desire to help others was always present in his life. Even though we were far away (Spain) we talked with him quite often to seek his wise advice and just to chat. Karen and the kids as well as the entire family are in our prayers for special grace for this time of grieving and may God give to each one the "peace that passes all understanding".

*He's already in your tomorrow,  
Walking one step ahead.  
Whether in joy or in sorrow,  
He'll do just what He said.  
He'll never leave you lonely,  
In the land of the great unknown.  
He's already in your tomorrow,  
Don't be afraid - keep pressing on!*
