“ Bro. Johnny and I have been connected to this wonderful family for many years. Their love and support over the years has meant the world to us. Paul took up a hobby of photography. He knew I loved Eagles. Somewhere he saw an eagle and he took the picture and sent it to me. It was breathtaking. He was always sending me texts to check on us and to assure us that even though they had moved and weren't able to attend as often, they still loved us and prayed for us. Whenever we did see him, he always had this huge smile and encouraging words. The day before he passed he texted me and we were joking about seeing tunnels and visions when his heart stopped for 20 seconds. He said the only thing he remembered was hearing them say they were going to use the paddles and he sure didn't want that and all of a sudden his heart just started beating. Even when he was at his worse he still had an encouraging word to say. Bro. Johnny and I will miss him dearly. Our thoughts and prayers go out to this wonderful Family. Glo, Joshua, Katie and Daniel we love you and will continue to pray for all of you as you adjust to passing of your wonderful Husband and dad. We love you.
