To my dear friend Paulina, thanks for al of the memories that we shared over the years while sitting on your front porch. We used to watch all of the neighbors and laugh at them. We used to give out holloween to all of the kids that used to walk up and down the streets. I had known you and Joe since 1984 until I moved to moved to Geogia in 2002. We lived across the street from each other all those years. I will dearly miss you my friend. I just found out about your death, so sorry I was not able to see you but I know we will meet again in heaven. Your dear friend, Jan Warren
