“ Uncle Andy, Steven, Mary, Theo & families, I sure miss My Aunt Helen, we all may not be related by Blood but the love our families share is just as strong. I remember Aunt Helen teaching us kids how to say "Yes, Mam" it only took her a few times of not hearing me that I learned to say it. I remember her always being a lady and teaching us girls how to at properly. Aunt Helen and her teachings will always live forever though each of us who know and love her. I remeber so many things in my life, even camping at cabin where we had to hold our plates to keep them from sliding off the table. We had so much fun when were we kids and that was thanks to your Mother, Aunt Helen, YOU ARE AWSOME!!! Love you guys.##imported-begin##Nancy Wheeler Williams##imported-end##
