“ Aunt Pearl we spent a lot of time with you growing up. I remember all the times visiting your house and playing cards or board games, and when you and uncle Trevor took us all to the state fair. I remember camping and when you would bring the boys to grandmas house. I remember when you and my mom took us all to the haunted house and there’s so much more. You were one of a kind. I’m grateful I have the memories of you from my childhood and I will keep them close. You will be missed with love. My thoughts are with uncle Trevor and the boys- I love you all.
