“ *What a unique person God created for our benefit your presence was always saturated with humbleness and humility. I have known you since J.S. Robinson elementary school and you always remained a TRUE friend. I remember you coming out to our softball games back in the late 70's to see the DURANT BOYS. Peggy you exemplified the Scripture above ALL things LOVE ONE ANOTHER. See ya REAL SOON at the marriage supper of the LAMB OF GOD. For your family Romans 8:38&39. Your friend and brother. “ Peggy was one of the most amazing people I have ever had the honor of knowing. Her smile and presence would light up every room she entered. She was so kind and giving, always thinking of others first. Her courage, faith and hope were so inspiring! She left an imprint on the heart of everyone who knew her. My thoughts and prayers are with her husband, children and entire family.

“ Peggy was a wonderful friend. Her courage and positive attitude was an example for all who knew her. I was blessed to have known her and hope that her family is able to find some comfort in the numbers of people who loved her.

May the grace of God bless you with the power to heal from such a terrible loss. I hope that memories of life with Peggy will in time, lessen the pain of loss.

“ I had the honor and privilege of working with Peggy at Dr. Saranko's office and have the fondest memories of her. You had to smile when she was in your presence because, as others have commented, she made you happy just by being her sweet, fun, self. My heart is broken for her sister Tricia and the rest of the family as I know the huge sense of loss they must feel as she was irreplaceable. I pray for the comfort and "peace that passes all understanding" that only our Lord and Savior can give. May her memory be honored in the lives of each one of us who loved her. I have and will continue to miss you, my sweet friend.

“ My heart is broken to know this beautiful, wonderful and inspiring young woman has left us. Mrs. Peggy was one of the most courageous women I will ever have the pleasure of knowing. She was brave from day one, I will never forget her and the influence she had on my life. I pray for peace and comfort for her family, and to her I would like to say I will miss my Mrs. Peggy hugs every morning. I will love and miss you until we meet again.

“Peggy was the most amazing person i have ever met. We hit it off the moment we were introduced to each other. In some of our many conversations we realized we were almost like kin. I mentioned my aunt one day and she knew her. Our relatives all lived close by to one another at Tiger Lake, what a coincidence. Then one of my best friends asked me did i work with Peggy and she lived right next door to Peggy's father. From that point on we had a lot to talk about. Peggy was so uplifting to me and the rest of my dept. She always had a smile on her face and she was always so good to people and so considerate and understanding. I have heard may people say they wish they were more like Peggy, and I am one of those people. She will be sorely missed.

“Peggy was a remarkable human being. She always had a smile and a kind word even when she wasn't feeling well. I remember when we were at Rhonda's party and her hair was starting to grow out after the last bout with Breast Cancer. She had her wig on but she said it was hot so we all told her to just take it off, she was beautiful with or without hair. She was reluctant at first but, like the truly brave person she was, she finally took off the wig and she didn't wear it again. She was an awesome person and a true friend. She truly is an inspiration and she will be greatly missed.
To her children and family, I am very sorry for this great loss. My thoughts and prayers are with you at this tragic time. May God bless and keep you and give you comfort in your time of great sorry.
